“Until I come, devote yourself to the public reading of Scripture, to preaching and to teaching. Do not neglect your gift” (1 Timothy 4:13-14a NIV).

GAMES FINAL AUGUST PRESENTATION

Rafiki Education Program:

Rafiki has consolidated all of its schooling centers under one heading, called the Education Program. As the children in our childcare program grow, the need for a comprehensive academic program has come, and is being implemented now. Some of you have taken a special interest in the Rafiki Girls' Center girls. Currently, we have been able to provide them with a vocational type of training, which prepares them to enter the job market with some valuable skills. The RGC will continue to shepherd and train these current girls. Perhaps you are one of the people God has been whispering to, encouraging you to become a

teacher in one the schools here. If so, we would be glad to pray for you as you consider His call.

PARK DEDICATION AND TREE PLANTING

Village Park:

We now have a *city* park! Inside the circle of cottages are a 440 yard pathway, and seven exercise stations. This includes a running long jump, ring toss, balance beams, etc. We still have another ten or so stations to build, but the park is really looking good, and the kids are thoroughly enjoying their new playground. During the park dedication, each family was able to plant their own tree.

BABY REBECCA

BABY HANNAH

Sixteen New Children:

In the past few weeks three more cottages have been completed and two currently have families in them. They have been named by their mothers—Shalom and Ebenezer. Our two youngest children have come into these two homes, they are Rebecca and Hannah. Rebecca is five weeks old, 5.8 pounds, and twenty-one inches long. Hannah is three weeks old, seven pounds, and twenty and one-half inches long. Rebecca was suffering from malnutrition and illness, which accounts for her low weight. Both are thriving now and cute as can be.

KOEPKES AND DONATED GREEN BEANS

Rebecca is a senior this year! She's taking a couple of AP classes and working on applying to universities in the U.S. She is hoping to get to go to HSU or ACU in Abilene, but we just keep reminding her to trust God for His choice of school for her. Sarah is enjoying the fifth grade. She has a very nice teacher, and is also taking clarinet lessons.

Pray for:

- Wisdom, strength, and joy
- Closer relationships to Christ
- Unity in team members
- Sensitivity to God's directions
- School of God's choice for Rebecca
